Pause + Return • CORE

Space without disappearing, for flooding (never for fear). 20 minutes minimum, 24 hours max, with an exact return time.

"I need a pause. I'll be ready at ____."

60-Second Alliance Reset • CORE

Still in the room, it's become a fight to win: stop • say it • touch (only if welcome) • three slow breaths • an exact time to keep talking.

"I want to connect, not fight."
